

aurora school **Guide to Giving**

“We contribute to the Aurora Fund because we know tuition alone doesn’t cover the costs of running this special place. Giving to the Fund is one way our family can show our support for all the students and teachers in our school community.”

Board Member and Parent**

Supporting Growth & Learning

Tuition alone doesn’t cover all the costs of educating each child at Aurora. The costs of staff and faculty salaries and professional development, teaching supplies, technology, and maintaining our building and campus add up quickly...and that was before the added expenses for Covid remediation. To keep Aurora accessible for students from all socioeconomic backgrounds, we provide robust tuition support for families who might not otherwise be able to send their kids here.

Frequently Asked Questions

What is the Fund for Aurora?

The Fund for Aurora is our most important annual fundraising campaign, running from September 23rd through the end of December. Our goal is to secure participation not just from all Aurora families, but also from 100% of our staff, faculty and Board of Directors. Contributions to the Fund enable us to provide top-flight educational programs, recruit and retain talented teachers and support staff, and maintain a socially and economically diverse student body.

Why is giving to the Fund important?

As an independent school, Aurora receives no government funding. We are supported entirely by tuition, and giving to the Fund helps us bridge the gap between tuition and expenses.

Why is 100% participation important?

Having a high rate of participation– not just from families, but also our own staff and Board– sends a strong signal of confidence in our mission, and it inspires others to give.

What is the Spring Online Auction?

Aurora’s spring auction brings together donations from local business with donations from our generous and talented families, faculty and staff. The auction opens on April 7, 2022.

Why is it important for current parents to support these programs?

The Fund and Auction support the current school year's operating expenses, so every donation directly enhances our students' educational experiences. Whether a donation is \$5 or \$5,000 each gift is appreciated and, given Aurora's small size, each has the ability to make a big difference.

Are Aurora families the only ones asked?

No. In addition to support from families, we receive support from alumni, grandparents and other extended family, as well as our faculty and staff, Board of Directors and local business partners.

Are donations to Aurora tax deductible?

Yes. Aurora is a non-profit, 501(c)(3), and all donations are deductible to the extent allowed by law. After making a donation, you will receive a tax receipt with our thanks for your support.
